

# Needlecrafts

available November 2020

— DIMENSIONS —

The year 2020 has proven that needlecrafts are a relaxing and therapeutic pastime. More than ever people are longing to take a break from technology and do something creative.

At Dimensions we offer designs for all those looking to enjoy the rewards of needlecrafting. Whether new to stitching or a seasoned enthusiast, we have kits that appeal to anyone wanting to create something lasting with their own hands.
